SEP 26 2000

Dear Reseller Applicant:

The Staff of the Arizona Corporation Commission will be reviewing your Application for a Certificate of Convenience and Necessity (CC&N) to resell telecommunications services within the State of Arizona and for a determination that services of the company are competitive.

In an effort to efficiently process your application, I am contacting you to confirm that the Company wishes to continue to have its Application processed. Also, Staff needs to ensure that the following information in your application is accurate and current: the name of the company; whether the company continues to do business in Arizona; and the names of the contact people, their addresses, telephone numbers, and e-mail addresses, if applicable.

All updated information (i.e. amendments to the original application) must be mailed to: Docket Control Center, Arizona Corporation Commission, 1200 West Washington, Phoenix, Arizona 85007. An original and 10 copies are required. Please include the company's docket number on all documents. If the reseller applicant no longer wishes to have its application processed, a Request to Withdraw form is available by contacting the Docket Control Center. For filing information, instructions and docket cover sheets, please contact the Docket Control Center (602-542-3477).

If your response is not received by October 23, 2000, as the last known representative on record for the reseller applicant, the pending application may be terminated and the docket administratively closed. **Be advised that the legal consequence of dismissal or withdrawal of the company's application, is that the company will no longer have the authority to resell telecommunications services within the State of Arizona and must cease all business activity involving resold telecommunications services in Arizona.**

If you have any questions regarding this letter, please contact Marta Kalleberg at mkalleberg@cc.state.az.us or (602) 542-0742.

Sincerely,
